MEDICAL REPORT

Ms FIONA ROSS from United Kingdom with Passport No: 576430765 was recently found to be positive of Covid19 on 17/04/22 with symptoms typically associated with Covid-19 (fever, cough, shortness of breath, muscle pain, headache, sore throat).

The patient is in quarantine for five-days and she is unable to work from 17th to 23rd April. I recommend reexamination on 23rd of April for Covid before start to travel again.
